THE SNOWFLAKE

A NOTE FROM THE PRESIDENT

* **WE CAN HARDLY WAIT!** The 2021/2022 season is near. Even

though Badger was not open last season, the Yosemite Ski Team competed in races at Bear Valley and China Peak. The racers had a great time skiing with the friends that they have made on the other race teams. China Peak graciously took us in for training days. The team was also able to take advantage of early speed training at China Peak in that racers were allowed to load the lifts at 7:30 am on training days. I had a great time setting Super Giant Slalom training for both teams. We are all so excited for the coming season and we hope you are able to join us. On behalf of the YWC Board, we thank you for your support and can't wait to see you soon!

YOSEMITE SKI TEAM

The Yosemite Race and Developmental Teams are ready for another great season!

SILVER SKI RACE is scheduled for January 29 and 30, 2022. We are looking forward to bringing back one of the most iconic races in the Central Series. The Yosemite Ski Team can hardly wait to get back on the snow in two days of slalom competition on Wildcat at Badger Pass.

YOU CAN SUPPORT THE TEAM by participating in fundraisers and volunteering to assist with the Silver Ski Race. It takes a lot of volunteers to host a historic event like Silver Ski. Please contact a Board member for more information.
